

All proceeds from this golf tournament, now in its 25th year, benefit the UCAN Adaptive Sports Program at Roger C. Peace Rehabilitation Hospital.

This program is 100% donor supported and offers community-based functions that give people with disabilities an opportunity to enjoy adaptive sports and recreational activities at low or no cost.

Adaptive sports help people with disabilities develop independence, confidence and fitness.

Triumph on the Greens

Adaptive Golf Tournament

Friday, Oct. 4, 2024 • 9 a.m.
Carolina Springs Golf Course
Fountain Inn

Individuals and local businesses are invited to participate in Triumph on the Greens, an all-day golf tournament with teams consisting of three able-bodied golfers and one golfer with a disability. Teams of four able-bodied players will also be allowed, as this is a fundraising event for Upstate Community Abilities Network (UCAN).

The annual tournament gives individuals with disabilities the opportunity to use adaptive golfing equipment and techniques, enhancing their skills and building a sense of success.

The tournament is captain's choice with mulligans available for purchase before tee-off, and great food and several prizes afterward. It serves as a fundraising event with proceeds benefiting Roger C. Peace Rehabilitation Hospital's year-round adaptive sports programs featuring golf, water skiing, sled hockey, alpine skiing, cycling, basketball, pickleball and yoga.

For more information, contact Danielle Fitzmorris, 864-455-7711, or Danielle.Fitzmorris@PrismaHealth.org.

Registration info

- Fees are \$125 for able-bodied player and \$30 for disabled player.
- Fees include 18 holes of golf, putting green practice space, breakfast snack items, BBQ lunch, refreshments during play and chance for prizes.
